

REPRESENTATIVE DRIEHAUS WELCOMES MORE THAN \$8 MILLION IN FUNDING FOR UNIVERSITY OF CINCINNATI

WASHINGTON, DC—Representative Steve Driehaus today welcomed an announcement by the U.S. Department of Health and Human Services (HHS) of an \$8,439,998 grant for the University of Cincinnati. The funding, awarded through the National Center for Research Resources (NCRR), will support renovation for safety and long-term support of U.C. research facilities.

“This is great news for the University of Cincinnati. U.C. carries out cutting-edge research in a wide range of fields, and this investment will help ensure the university can continue its important work,” said Rep. Driehaus.

[According to HHS](#), the \$8,438,998 in NCRR funding was awarded through a grant program to support the repair, renovation, and modernization of existing research facilities.
